Client: Godavari Gas Private Limited					
Tender No. GGPL/KKD/C&P/WLC/2529/2018-19/01 Date: 04.05.2018					
Subject: Tender for Supply of Booster compressors on Wet lease basis including Comprehensive operation & maintenance services for DBS Station in East & West Godavari Districts.					
S. No.	Section	Page No	Tender Specification	Bidder's Query	GGPL REPLY
1	Section - IV	Pg 100 of 210	Supply & Installations: Mass Flow Meter 2 Nos Inlet and outlet	Essentially Flow Meter is required by all CGDs only on discharge line. Therefore we feel that additional flow meter at suction line is not required. It will just add a considerable cost impact on wet lease charges.	Suction Flow meter is not required. However bidder is required to establish and report losses across the running compressor whenever required by GGPL
2	Section - IV	Pg 100 of 210	Supply & Installations: SS Tubing from LCV posting to inlet of compressor and from discharge of cascade & dispenser, UPS, cables, LCV filling point, utilities, All civil works (Foundations, etc), Temporary Fencing etc.	These items / activities should not be under bidder's scope. Please confirm.	SS Tubing from LCV posting to inlet of compressor and from discharge of compressor to cascade & dispenser, electrical panel, UPS, Cables, mobile Cascade unloading point including all fittings, valves, flexible hose, quick release coupling, etc shall be under the scope of GGPL. Main power cable from retail outlet to power mains & to compressor mother station/board and to dispenser and all civil works, Foundations, structural works, trenches, temporary Fencing etc. are also under GGPL Scope. Air compressor and its connections, C02 flooding system connections, package internal tubing, electrical/instrumentation cabling etc are under the scope of Bidder

6/1/2018

3	Section - IV	101 of 210	<p>O&M Scope Supply and laying of SS tubing and fittings: The supply and laying of SS tubing/ Piping from GGPL's Tap-off to the Compressor inlet and compressor outlet to Mobile Cascade Filling point including all fittings, valves, flexible hose, quick release coupling, etc. shall be in bidder's scope.</p>	<p>These items / activities should not be under bidder's scope. Please confirm.</p>	<p>Refer S.NO .2</p>
4	Section - IV	101 of 210	<p>O&M Scope Issuing excise gate pass, security and liaison with local authorities for day to day activities is in bidder's scope.</p>	<p>Issuing excise gate pass, security and liaison with local authorities for day to day activities shall not be in our scope in any case. Please confirm.</p>	<p>Any Liaisoning with the local authorities for installation, Erection, and commissioning and operation of the compressor package at site is in the scope of Bidder. Issuing Gate Pass, Security is in scope of GGPL.</p>
5	Section - IV	Pg 101 of 210	<p>Contractor's Scope: The CNG Compressor package enclosure to be provided with 2 nos. Gas detectors and 2 nos. Flame detectors</p>	<p>We feel that 1 no. Gas Detector and 1 No. Flame Detector is sufficient for enclosure. We have supplied more than 250 booster compressors with 1 no. GD & 1 no. FD and all are giving satisfactory performance. Installation of 2 Nos. GD & 2 Nos. FD will add cost in the wet lease charges.</p>	<p>Tender conditions remain unchanged being a safety concern</p>

6	Section - IV	Pg 112 of 210	<p>Gas Detector & Flame Detector makes:</p> <p>1) IR Gas detectors : General Monitors /Sieger / Detronics or equivalent subjected to GGPL. approval. 2) UV Flame detectors : General Monitors /NET SAFETY Sieger / Maggit / Det-ronics or equivalent subjected to GGPL. Approval.</p> <p>We observe that there is no minimum guarantee for wet lease charges if there is no sale at booster station.</p>	<p>Please include GD's and FD's of Honeywell make. These have been supplied in more than 250 compressor to other gas companies and giving excellent performance.</p>	<p>Agreed. However supporting documents stating Honeywell make are being used by other CGD entities, are to be submitted to GGPL</p>
7	Section- VI	Price Schedule		<p>We request to include the following clause:</p> <p>In case of sale lower than 500 kgs. Per day at Booster Station, Contractor shall be paid the wet lease charges as per unit rate of the lowest slab, i.e. upto 15000 kgs. Per day from the date of commissioning of compressor or 60 days from the receipt of Daughter Booster Compressor by Godavari Gas Pvt. Ltd.</p>	<p>In case of sale less than 1000 kgs per day then Charges will be paid by considering a slab of minimum for 1000 Kg/Day sale, from the date of commissioning of compressor or 60 days from the receipt of Compressor.</p>
8		1	<p>Due date & time for bid submission: 23.05.2018 at 1300 Hrs.</p>	<p>We request you to extend the bid submission date for a minimum period of one week i.e. upto 30.05.2018</p>	<p>Bid Submission date is extended from 23.05.2018 to 30.05.2018.</p>

23/05/18

9			<p>Address for submission of Bid</p> <p>Please provide the address of Godavari Gas Pvt. Ltd. where the bid has to be submitted.</p>	<p>APGDC, D.No:70-14-5/1, Siddharth nagar, Near RTO Office, Kakinada-533003, East Godavari Dist, A.P.</p>
10.	<p>Section VI Price schedule</p>	<p>Price Schedule</p>	<p>There is no mention of compensation to supplier in case there is zero sale. In case of zero sale at booster station, bidder shall be paid the wet lease charges as per unit rate of the lowest slab i.e. average per day sales from out</p>	<p>Refer S.NO.7</p>
11.	<p>Section VI Price schedule</p>	<p>Price Schedule X -1 and X-2 Slabs are mentioned in the SOR for average sales per day.</p>	<p>Two slabs i.e. X1 and X2 are not sufficient to do the estimation of bidder's Return On Investment so we request you to follow the SOR of CGD company like IGL. SOR format as per IGL tender is being enclosed for your perusal.</p>	<p>Quantities are included in SOR. Refer revised SOR. These quantities are tentative and may increase or decrease</p>
12.	<p>Section - IV Pg100 of 210</p>	<p>SUPPLY & INSTALLATIONS All Civil Works (Foundations, etc), Temporary Fencing, etc.</p>	<p>Temporary fencing shall not be in bidder's scope as this is a part of civil work.</p>	<p>Refer S.NO.2</p>
