Corrigendum No.3

TENDER : SUPPLY OF CNG BOOSTER GAS COMPRESSOR FOR MOTHER AND DAUGHTER BOOSTER STATIONS AT EAST & WEST GODAVARI DISTRICTS OF ANDHRA PRADESH ON ANNUAL RATE CONTRACT BASIS
 TENDER NO: GGPL/C&P/Pur/4715/2016-17

| S. No. from Corrigendum No.1 | Clause No. & Page No. | Tender Clause | Clarification/ Modification to Tender Clauses | GGPL's Clarification | Bidder Clarification | GGPL's Response |
|------------------------------|-------------------------------------|---|---|--|--|--------------------------------|
| 5 | Clause No. 4 (B) Page No. 52 of 153 | Payment Terms: Balance 10% will be released within 30 days from the date of receipt of ordered materials receipt and acceptance at site by the Engineer-In-Charge of GGPL. | We understand that, balance 10% will be released against receipt of material at site/store (if material despatched at store). We also understand that, balance 10% material will not be held till erection, commissioning, performance test of compressor package. | Balance 10% shall be released within 30 days from the date of installation, testing and commissioning. | Please note that, there is no defined time limitation for erection, commissioning activity if same is delayed by reasons not attributable to bidder. Therefore we have raised this clarification. Request to provide time limitation for performing erection, commissioning activity. You can alternately release this payment against Bank Guarantee of equivalent amount. Bank Guarantee validity shall be warranty period of respective compressor package. | Payment term shall remain same |
| 11 | Clause No. 1.1.4 Page No. 58 of 153 | Bidder shall be responsible for supply, erection, commissioning, and field performance test of all packages at site. | As the prices for erection, commissioning and field performance test charges are to be included in supply part; charges for the same will be valid only of the compressors are commissioned within one year from the date of supply of compressor package. Storage with watch and ward and insurance when compressors are despatched at site/store are excluded from our scope of work. | Not Acceptable. | We understand that once the compressors are delivered to GGPL's site/store; storage with watch and ward and insurance during storage at site/store is GGPL's responsibility as it is not possible for us to provide this facility. Please also refer our clarification for above point. | Accepted |
| 21 | Clause No. 11.0 Page No. 73 of 153 | Enclosure shall provide a degree of protection equivalent to IP 54 as defined in AS 1939. | Please note that we will be offering weather proof canopy and manufacturer's compliance will be given for the degree of protection. Please confirm the acceptance. Also removable wall panels will not be provided as all components are easily accessible without removing wall panels. | Not Acceptable. | Please note that, as the enclosure will have air cooled heat exchanger to cool compressed gas which requires ducting on enclosure walls. IP 54 rating therefore will not be possible for this enclosure. We will provide weatherproof enclosure suitable for the service. Also note that, CGD companies like GAIL, CUGL accepts weatherproof enclosure. | Not Acceptable |
